Mutual Declination Aspects

Sean's Pluto parallel Madonna's Midheaven (Orb: 0° 08')

You have mutual interests and concerns regarding the state of society and could join forces to bring about needed reforms. Sean can influence Madonna's career advancement for the better by encouraging Madonna to be more powerful professionally. In turn, Sean will benefit from Madonna's material success.

Sean's Venus contraparallel Madonna's Jupiter (Orb: 0° 12')

You enjoy each other's company and have many interests in common. You encourage optimism, self-confidence and good health in each other and are mutually generous and sympathetic. The relationship could help you both grow artistically and/or spiritually. You are true friends in times of need and can work together to your mutual benefit.

Declination Synastry Report for Sean & Madonna

Madonna's Mercury parallel Sean's North Node (Orb: 0° 14')

You can help each other understand and follow the prevailing cultural trends, fads and attitudes. Madonna has a multitude of fresh and exciting ideas; Sean has a feeling for trends and public opinion. You may be able to help each other capitalize on this information by working together in advertising, publicity, or even politics.

Sean's Mars parallel Madonna's Pluto (Orb: 0° 14')

There is a strong conflict of wills between you. Each strongly resists any attempt at a show of authority from the other. Even in a basically positive comparison, this aspect will cause minor irritations and arguments. If the comparison is already basically negative, there can be animosity and even vindictiveness between you. Between lovers this aspect indicates the necessity for sexual adjustments.

Sean's Mars parallel Madonna's Midheaven (Orb: 0° 20')

You will share common professional goals and may even be competitors in your chosen fields. Sean is attracted to Madonna because of the prospects for advancement and improved status which Madonna provides. Madonna admires Sean's drive and ambition, but considers Sean to be impulsive and perhaps even undependable.

Madonna's Venus parallel Sean's Pluto (Orb: 0° 25')

This aspect can indicate mutual social or economic benefit to each partner. You share a deep emotional tie, and between partners in a romantic relationship there is usually a strong sexual connection. Sean may tend to be demanding, jealous or possessive toward Madonna. You have most likely shared many incarnations together and bring a karmic tie into your relationship in this lifetime.

Sean's Venus parallel Madonna's Ascendant (Orb: 0° 29')

This combination indicates a strong emotional and sexual attraction between you, and it is often found between marriage partners. Sean will encourage Madonna's creative self-expression; Madonna will help Sean develop more self-confidence.

Declination Synastry Report for Sean & Madonna

Sean's Mars contraparallel Madonna's Saturn (Orb: 0° 30')

Sean may find Madonna frustrating and may become angry and impatient. Sean irritates and disrupts the constructive plans and efforts of Madonna, thus causing Madonna to feel insecure. There are many problems with adjustment with this aspect. However, if Sean can learn to listen to the counsel of Madonna, Sean may be saved from the consequences of rash and reckless actions, although Sean may not appreciate this at the time.

Sean's Sun parallel Madonna's Sun (Orb: 0° 37')

With your Suns conjoined (especially in the same sign), you will either be very compatible or will irritate and compete with each other. If your charts have much in common, it will either aid understanding and agreement or will cause the greatest antagonism or rivalry. It is usually more positive if the comparison is a good one overall. If there are many common interests between you, the combination can work out well, although it is important that you each offer something new to the other in order to avoid becoming bored with each other. It is probably best if there are a few years difference in age between you.

Sean's Mercury parallel Madonna's Uranus (Orb: 0° 38')

Sean finds Madonna to be highly stimulating intellectually and very imaginative. Indeed Sean can learn a great deal from this relationship, if Sean is willing to remain open to different lines of thinking. Sean could help give the many ideas of Madonna substance in the real world by giving them practical application. You have a great deal of intuitive communication between you, and this allows you to share each other's ideas more freely. Madonna may stimulate Sean's interest in occult or spiritual matters. This is a good combination in an astrologer-client relationship.

Sean's Pluto parallel Madonna's Pluto (Orb: 0° 41')

You are around the same age and have similar experiences of the world. Your ideas and viewpoints have been conditioned in similar directions. Since you share this aspect with everyone close to your age, it is not significant in analyzing compatibility.

Madonna's Mars parallel Sean's Uranus (Orb: 0° 45')

This aspect brings out the aggressive and independent spirit in each of you, which can cause considerable friction unless you share a common goal in life. Harmony and

cooperation do not come easily but must be worked for. Neither of you feels you can totally depend on the other, which can create an emotional tension between you. There can be much turmoil, particularly in romance. This aspect is not conducive to durability of the relationship.

Sean's Moon parallel Madonna's Uranus (Orb: 0° 48')

This is a very stimulating aspect, and between partners in a romantic relationship it indicates an immediate mutual attraction. It arouses romantic feelings in you both, and the time you spend together is very exciting. However, unless there are many other harmonious aspects which bind you, the constant excitement between you may become irritating. Although you may initially be fascinated with each other, the relationship may not be long lasting unless there are other aspects which indicate durability. If the comparison is a good one overall, this aspect will ensure that romance and excitement between you will stay alive long after others have fallen into a rut. If Sean is overly sensitive, Madonna's qualities and habits may be upsetting to Sean. In marriage this aspect can indicate frequent changes of residence, which could be disturbing to the Moon individual, in this case Sean.

Sean's Saturn parallel Madonna's Saturn (Orb: 0° 48')

You have similar needs for security in life, and you both are ambitious about achieving your goals. Therefore, you understand what makes each other tick emotionally. If the comparison is a positive one overall, this aspect will encourage effective and satisfying teamwork. If there are many negative aspects, this one will lead to feelings of restriction, worry and lack of self-confidence. As with other Saturn contacts, this one indicates longevity of the relationship (provided that the parties can make it through the required adjustment period.)

Sean's Venus contraparallel Madonna's North Node (Orb: 0° 50')

Madonna can appear to be cold and insensitive toward Sean, which causes Sean to consider Madonna to be withdrawn and antisocial. If the comparison is mostly a favorable one, Sean will be able to draw out Madonna and help Madonna be more self-confident.

Madonna's Venus parallel Sean's Mars (Orb: 0° 53')

There is an extremely strong physical attraction between you, and this is a very favorable aspect in the charts of lovers and marriage partners. Sexual compatibility is guaranteed with this combination, as both partners find the other terribly stimulating. Madonna has a soothing and calming effect on Sean, who tends to be more assertive about initiating change in the relationship. There is much mutual admiration and affection, and plenty of romance. Sean is able to earn the passionate devotion of

Madonna, and Madonna will in turn provide the loving response that Sean desires. There is some danger of jealousy and possessiveness with this combination, as your emotions for each other tend to be compulsive in nature.

Madonna's Saturn contraparallel Sean's Pluto (Orb: 0° 58')

Sean, as the reformer and transformer, challenges Madonna's attitudes toward life's responsibilities. If the bulk of the comparison is positive, this aspect will represent a mild test. If there are many negative aspects, it can increase resentment and even lead to hatefulness. This aspect is especially troublesome between parents and children. Sean may be tempted to play on Madonna's fears. Madonna may try to restrict Sean's freedom.

Sean's Sun parallel Madonna's Mars (Orb: 0° 59')

There is much sexual attraction and compatibility with this aspect. Your relationship can be harmonious as long as you respect each other's independence and freedom of expression. If the comparison is basically a good one, this aspect adds an exciting element to the well-balanced relationship. If there are unresolved tensions and other problems within the comparison, this aspect can become one of rivalry and competition.

Madonna's Saturn parallel Sean's Ascendant (Orb: 1° 04')

This aspect can indicate an enduring relationship, if you are both able to accept each other as you are rather than attempting to change each other. Madonna can encourage Sean to be more mature and pursue goals more seriously. Sean can help Madonna to relax and enjoy life rather than being immobilized by fear and anxiety. If Madonna's Saturn is afflicted, then Madonna may become critical and oppressive.

Madonna's Sun parallel Sean's Uranus (Orb: 1° 07')

This combination can be exciting in harmonious comparisons and volatile in more stressful ones. In a romantic relationship, it indicates a strong, even compulsive magnetic attraction for each other. There is much greater chance for success if both partners can agree to allow each other a great deal of freedom and respect each other's right to make their own independent choices. Both of you must be prepared to accept the differences of opinion of the other. Madonna must learn to tolerate Sean's eccentricities and sometimes (seemingly) erratic behavior. When this aspect occurs between the horoscopes of relatives, friends or lovers, it may signify an off-and-on relationship interspersed with long periods of absence from each other. In fact, this is probably the best way to maintain a harmonious relationship. In your case, absence does indeed make the heart grow fonder.
